

For Lease

Horsley Logistics Park

8-12 Johnston Crescent, Horsley Park, NSW 2175

Industrial Available now

9,118 - 60,689 sqm

About

In Sydney's prime logistics precinct, Horsley Logistics Park is strategically situated within close reach of Western Sydney's future airport and rapidly growing population.

Sydney's M7 motorway flanks Horsley Park and has convenient access to the M7 and M4 interchange, a key logistics route. The 20.8 ha precinct encompassing Horsley Park, Erskine Park, and Eastern Creek offers an increasingly rare opportunity to occupy brand-new, A-grade industrial and logistics facilities in one of Sydney's most sought-after markets.

The site is benched and fully serviced with planning approvals, ready for construction to commence.

Amenities

- On-site parking
