About

Mascot Logistics Estate is one of Australia's most unique business environments.

It's proximity to Sydney Airport facilitates effortless connections to major population centres and transport infrastructure, and its innovative design and architecture offer customers a visionary, world-class logistics asset.

A vivid and connected place that puts people first, the Estate commands a prized 13.8-hectare landholding strategically situated near Sydney Kingsford Smith Airport, Port Botany, WestConnex, and the M5/M8 Motorway. This advantageous locale ensures seamless accessibility and connectivity to key transportation hubs, positioning it as the premier choice for businesses seeking efficient logistics operations.
