About

Experience unmatched scale and location at Moorebank Intermodal Precinct (MIP), setting the standard for logistics excellence in Australia. More than just the nation's largest freight infrastructure project, MIP will power a thriving e-commerce ecosystem. Partnering with leading industry players, we're revolutionising Australia's supply chain, prioritising environmental sustainability, and fostering a vibrant business and community environment.

Moorebank Intermodal Precinct features 850,000 sqm of state of the art warehousing facilities across a 243-hectare site, located in one of Sydney's premium industrial areas at the intersection of several key freight corridors featuring an IMEX terminal with direct connectivity to Port Botany and a new interstate terminal driving greater freight efficiencies between all mainland capital cities.
